

## **Leslie Prillaman**

### ***NHACD Planner***

**Leslie Prillaman** is a NHACD Conservation Planner who supports outreach and education efforts and assists NRCS in Carroll and Coos counties. She brings over a decade of experience in sustainable farming, along with a Bachelor of Science degree in Ecology. Her curiosity about how everything is connected, from farms to ecosystems, shapes both her work and her life. Outside of work, she enjoys raising her two young children and helping them build a strong connection to the outdoors.
