District Manager Report- Jenea Evans

- **80th celebration**
 - Thoughts and opinions?
- **Jared can't do an Apple Grafting Workshop in April**
- **Sandwich Farmers Market offered us to be a part of their Nonprofit Highlight Program.**
 - Includes showing up to one of their markets and having a table, gives us a chance to get involved with market visitors/the community.
 - Getting signage
 - We need to offer some type of activity/raffle/fundraiser:
 - We could do a raffle and the prize would be a birdhouse as well as supplies to decorate it.
- **Awaiting to hear back from the Carroll County Beekeepers Association on if they would be willing to do an event with us in May for World Bee Day.**
- **Climate Grant Applications update:**
 - None as of right now; can't notify applicants yet.
 - Reallocation meeting: March 10th
- **Local Work Group-March 18th (6PM)**
 - Has been sent out through social media, newsletters, and direct emails to farmers, conservation commissions, land trusts, and various partners.
- **Wildlife Wonders Workshop update:**
 - Held on February 21st at TMCC and people responded well. There were about 40 people who showed up.
- **Minor website cosmetic updates:**
 - People can now find their local conservation commissions on our website
 - We now have a section for past workshops/event pictures available to view.
- **Taking a Disaster Preparedness Course for Ag Professionals with UNH**
- **March Featured Farm:**

- Sugar Shaun's Maple
